Creative and Scale Agents

Takeaways: Where to Start and What to Expect from Enterprise Gen AI

- **Gen AI is production-ready across all major industries, not just technology or digital-native sectors.**
- Customer and employee agents are the most common entry points, providing immediate scale and internal efficiency.
- Measurable ROI is achievable within months, as seen with organizations like Mercari (500% ROI) and Toyota (10,000+ hours saved).
- Creative and code agents are emerging fast, pushing enterprise AI from text-based summarization to multimodal content generation.
- The pace of adoption is accelerating (10× growth in 18 months); early movers are gaining compounding advantages.
