

Scale SEAL Leaderboards: Frontier Model Performance Across 20+ Benchmarks

100+ Models Evaluated Across
Agentic, Frontier, Safety, and
Multimodal Benchmarks

Scale Labs

Audience: ML Researchers, AI Lab
Leadership, Engineering Managers

20+ Benchmarks Spanning Four Capability Domains Evaluate 100+ Models

- Scale Labs' benchmark suite evaluates frontier model capabilities across four key domains:
 - 1. Agentic: Coding and tool use (e.g., SWE Atlas, SWE-Bench Pro, MCP Atlas)
 - 2. Frontier: Reasoning and knowledge (e.g., Humanity's Last Exam, EnigmaEval, MultiChallenge)
 - 3. Safety: Alignment and honesty (e.g., MASK, PropensityBench, Fortress)
 - 4. Multimodal: Audio and vision-language (e.g., AudioMultiChallenge, VISTA)

GPT-5.4 Dominates Agentic Coding: Top Scores on SWE Atlas and SWE- Bench Pro

GPT-5.4-Pro Leads Humanity's Last Exam at 44.3% — Scores Remain Below 50%

Gemini Models Sweep Audio and Vision-Language Benchmarks

Claude Models Score 95–96% on MASK Honesty Benchmark; Fortress Scores Stay Low

OpenAI, Google, and Anthropic

Each Claim #1 Across Different Domains

Domain	Benchmark	#1 Ranked Model / Lab
Agentic Coding	SWE Atlas / SWE-Bench Pro (Pub)	GPT-5.4 variants (OpenAI)
Agentic Coding	SWE-Bench Pro (Private)	Claude Opus 4.6 (Anthropic)
Frontier Reasoning	Humanity's Last Exam / EnigmaEval	GPT-5.4-pro (OpenAI)
Frontier Reasoning	MultiChallenge	Muse Spark (Muse)
Multimodal	AudioMultiChallenge / VISTA	Gemini 3 / 2.5 variants (Google)
Safety & Alignment	MASK (Honesty)	Claude Opus 4.6 (Anthropic)

Key Takeaways: No Single Model Wins Everything — Specialization Is the New Frontier

- GPT-5.4 leads agentic coding and frontier reasoning, but not multimodal domains.
- Gemini dominates audio and vision-language benchmarks, holding top positions consistently.
- Claude leads safety, honesty, and professional reasoning (Legal and Finance).
- Benchmarks remain unsaturated: HLE (44%), EnigmaEval (24%), and SciPredict (25%) show substantial room for improvement.
- Muse Spark emerges as a strong new competitor, ranking top 3 on 61 benchmarks.
